

Dear all,

The Families Registration is now closed. If you are an athlete family member who has not registered yet, you can do so on-site at the Families Welcome Center, located in ADNEC, between March 11 and 13.

NO REGSITRATIONS will take place in any other location or time.

Please note the following in order to register on-site:

- Please remember to bring your passport to be able to register
- You need to arrange your own transportation to ADNEC
- You need to provide **a letter signed by your SO Program leader** verifying your family relationship with a Special Olympics athlete.

Without the documents listed above you will not be able to complete your on-site registration.

You are always welcome to attend the competitions as a general spectator, however; if you are not a registered and approved member you will not have access to the Families Program benefits and services.

The Families Welcome Center in ADNEC will operate from 9 am to 8 pm from the 11th March to the 13th March, and from 9 am to 2 pm on March 14; however, on site registration will not be allowed on March 14. **PLEASE NOTE:** families who are registering on-site must do so before March 14th in order to receive tickets to the Opening Ceremony. Otherwise families will be able to purchase tickets on the day-of the Ceremony but will not receive them for free.

Please do not hesitate to contact us for further clarifications.
